Title: **“House Arrest”**

Subject: Reading

Topic: House Arrest

Jargon:

Life, Tears, Prison, Home, Broken, Dead, Dying, Rain, Brother, Never, Remember, Stronger,

**House arrest is like prison(Simile)**

But instead it is within your own home

The home that was suppose to be sweet

That was suppose to be ours

That was suppose to be Levis home

**But NOW IT'S A PLACE FILLED WITH DEATH!(Hyperbole)**

My brother Levi is slowly dying

**She's a bird with a broken wing(Metaphor)**

Who can never fly like the rest of the flock

She's dead

Life has no meaning

What once was a bright blue sky

Is now rain made up of our own tears

We will get passed this

The death of Levi only makes us stronger

Like if you're reading a book

You have to turn the page

But you will always remember what happened
