

OKLAHOMA STATE WRITING PROJECT

LGBTQ+

BOOK GROUP FOR TEACHERS

ALL MIDDLE AND HIGH SCHOOL TEACHERS WELCOME

FACILITATED BY DR. SARAH J. DONOVAN

For pre-service, early career, & veteran teachers who love reading and learning through literature. For educators who want to support LGBTQ+ students and families by making their classroom libraries and curriculum more LGBTQ+ inclusive-affirming. This book group is a place to ignite thoughtful conversation about queer identities. You will receive 10 LGBTQ+ middle/young adult books in a variety of genres and formats. We will meet once a month via Zoom for about an hour to discuss the texts, which will include extensions into ideas for sharing LGBTQ+ literature with students.

Respectful, invitational dialogue is expected of all participants.
