

Boredom

- Color** - beige or something very neutral
- Smell** - your grandmother's house, stale but familiar
- Taste** - the snack you lazily throw in your mouth
- Sound** - the tv absently playing in the background
- Texture** - quilted sheets or an old desk chair
- Object** - a clock ticking on the wall
- Food** - chips, candy, something thoughtless
- Animal** - bird chirping, fly buzzing
- Beverage** - some kind of soda at the back of the fridge
- Place** - your grandparent's house, a living room
- Weather** - sunny or dark, raining or sunny, anytime
- Music** - anything playing distantly in the background
